... IN NEW AND ADVANCED STYLING-The new long, low, sleek lines of the 1953 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

... IN HIGH-POWERED PERFORMANCE-The most powerful engine in the low-price field! The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide\* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrift-King" engine.

. . . IN SMOOTH, SIMPLE AUTOMATIC DRIVING-Expect faster getaway with Powerglide's new automatic starting and passing range . . . and new economy, too. Chevrolet's new Power Steering\* takes over 80 per cent of the work of steering, makes parking unbelievably easy. ... IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains the lowest-priced line in the low-price field.

. . . IN AMERICA'S FAVOR-Again this year-as in every single postwar year-more people are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the accond-place car. Nearly 2 million more people now drive Chevrolets than any other make.

\*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available
